The Prom Country Shopping Guide has been produced by Prom Country Regional Tourism with the support of the South Gippsland Shire Council.

A chance to browse through a variety of stores and forage for bargains, a special treat or the perfect gift.

## DO YOU LOVE SHOPPING?

A chance to browse through a variety of stores, foraging for bargains, a special treat or the perfect gift? If the answer is yes, then the Prom Country region may provide you with the perfect alternative for your next shopping excursion.

Instead of large, busy, and often sterile department stores, Prom Country offers a more 'intimate' shopping experience. Wander through small towns and villages and a surprisingly large range of boutique stores that comfortably blend city style with country hospitality.

The Prom Country region is located just 1.5 hours drive from Melbourne and offers an eclectic range of products that will satisfy the casual shopper, window browser or hardened fashionista.

Discover Prom Country shopping and dining venues on the Prom Country App. The App is available for download from the App Store or Google Play.

## NEED HELP FIND OUT MORE INFORMATION?
